

BECOME A SHANE'S CLUB SPONSOR

Did you know that some children spend their entire lives without playing on a playground? Because they are disabled, they are denied this simple yet profound act.

By becoming a Shane's Club sponsor, you can help change this. With a sponsorship of \$500 or by providing all the supplies needed for the Play Date, your company can bring the magic of play to over 100 children of all abilities and their families here in Los Angeles.

Who We Are: Shane's Inspiration is a non-profit organization based near Studio City that raises the quality of life for children living with disabilities by developing Universally Accessible Playgrounds – unique, fully-accessible public play environments that allow children with disabilities to play side-by-side with their able-bodied peers.

Universally Accessible Playgrounds foster integrated play, which gives disabled children the chance to develop physically, emotionally, and socially alongside their peers. It gives children with typical abilities the chance to develop compassion and acceptance for those who are different. We currently have 9 playgrounds open and 40 more in development in 5 states and 2 countries.

As part of this vital work, Shane's Inspiration offers a Community Outreach and Transportation Program that helps communities access these playgrounds, as so many low-income families and schools can't afford the cost of accessible transportation. Annually, 2,500 children and families are transported to the playgrounds by Shane's Inspiration for monthly play dates, field trips, and peer-to-peer volunteer experiences that pair children with varying abilities.

Shane's Club: Each month, families come together from across Los Angeles on a Saturday morning to join Shane's Inspiration for a day of integrated play. This wonderful day provides an opportunity for children with disabilities to play with other kids while giving their parents a chance to share experiences and advice with other parents/caregivers.

As a sponsor, your company will provide the arts & crafts, refreshments, entertainment, and volunteers for this day. It is a great way to promote employee volunteerism and is something that can involve the whole family! Shane's Inspiration staff will be on hand to help organize and supervise the day.

Thank you in advance for your consideration. Shane's Club is a remarkable gift to so many families and children. By being a part of this day, your company will give a remarkable gift to its employees...time spent laughing, listening, and learning with a very special child who may otherwise never know the magic of play and the joy of acceptance.
