

The vision of Shane's Inspiration is to eliminate bias against children with disabilities.

The mission of Shane's Inspiration is to create **Inclusive Playgrounds and programs that integrate children of all abilities socially, physically and emotionally, fostering acceptance, friendship and understanding.**

We have 22 inclusive playgrounds now open, with another 90 in development around the world.

Your support will help us continue to bring these vital programs to children throughout the community.

"Shane's Inspiration speaks to me since my dad is in a wheelchair. As a mother I cannot imagine what it would feel like to not be able to bring my child to the local playground. The more children are integrated the less our differences mean." - Anna
