

SHANE'S INSPIRATION CY PRES AWARDS

You Can Make a Difference!

Thanks to our many supporters, Shane's Inspiration is making a profound impact on the lives of children with disabilities through our vision of creating a bias-free world for children with disabilities through inclusive playgrounds and education programs.

- Our education and community outreach programs work to eliminate bias against children with disabilities, and we have directly served nearly 40,000 children in over 150 schools.
- Our Social Inclusion School Program, which allows educators an opportunity to independently facilitate our education program, has been ordered in nearly 60 countries throughout the world.
- We have grown from one playground in Los Angeles, California to a network of over 60 inclusive playgrounds throughout the world, with another 75 in development.

Demand for our services and initiatives is at an all-time high and we need your help to meet this demand! One of the ways in which you could help is through connecting or referring Shane's Inspiration to a Cy Pres Award!

What are Cy Pres Awards?

Cy Pres awards moneys from a settlement fund in a class action case (and sometimes other types of proceedings like probate) that are unclaimed or cannot be distributed to the class members or beneficiaries who were the intended recipients. Under the Cy Pres doctrine, federal and state law courts can distribute these residual funds to certain non-profit organizations.

Shane's Inspiration is an Ideal Choice for Cy Pres Awards

Shane's Inspiration's mission of creating social inclusion for children with disabilities through education, community, and play makes it an ideal match for Cy Pres awards in matters across the country. Additionally, due to child advocacy being central to our mission, Shane's Inspiration is an appropriate beneficiary of Cy Pres awards in EVERY California state class action case (not just those where the class members or the underlying cause of action are related to our mission), as well as in many states across the country.
