

# SHANE'S INSPIRATION'S ANNUAL REPORT CARD 2018

Year after year, you rise up to meet the needs and calling of this mission for kids like Zach here in Los Angeles, across the country, and throughout the world! In 2018, your partnership brought rare, meaningful and playful inclusion to Lewiston, Maine and supported the design/development on five projects that will open next year, one of which will be the reimagining of our flagship playground, Shane's Inspiration! You helped us host a benefit concert at Carnegie Hall for our first New York project and launch an online course that is teaching educators how to facilitate social inclusion through play! Your support empowered 75% of the local schools we work with to self-deliver Together, We Are Able by providing our curriculum, social inclusion planning, training, and on-site play facilitation! All this and SO much more is possible because of YOU! We couldn't be more grateful and we couldn't be more excited for what the future holds for so many children and their families because of your generous support!
